Personal Statement

Passionate web developer intent on learning as much as possible. A meticulous eye for detail and take pride in everything I do. Focused on writing clean, semantic, reusable code; implementing best practices. Currently building a portfolio to demonstrate all that I have learned. Available to start immediately.

Employment History

Data Analyst, Credit Benchmark, London
SEPTEMBER 2018 — JANUARY 2020

Credit Benchmark is a financial data analytics company.

- Responsible for bespoke analysis for internal purposes, as well as for external meetings.
- Monthly publish of data. Consolidated all data that we received and investigated any anomalies, ensuring a high degree of data quality.
- Collaborated with many departments including Research, Product, Strategy, Development and Sales on various projects.

Volunteer English Teacher, Trishuli Rafting, Nepal
NOVEMBER 2017 — JANUARY 2018

- Solo English teacher at a rafting company, responsible for teaching ages 11-27 all at varying different levels.

Matching Team Member, TJX Europe - Finance Department, Watford
SEPTEMBER 2016 — SEPTEMBER 2017

- Investigated any variances, to ensure all invoices were matched correctly.
- Later assigned to match overdue invoices, which were the most difficult to resolve.

Education

Accounting & Finance BSC, University of Wales, Swansea
SEPTEMBER 2013 — AUGUST 2016

Graduated with a 58.47% average.

TEFL, Saint Georges International, London
JULY 2017 — AUGUST 2017

Qualified to teach English as a second language.

Ashmole School, London

A-levels in Maths, Biology and Economics.
